

PARASOLS - ALUMINIUM

3 YEAR WARRANTY

Our aluminium parasols are easily operated with a simple crank handle. Some parasols have a tilt mechanism, allowing you to angle the canopy and provide effective shade from the sun.

PRODUCT INFORMATION

Available in 4 sizes; 2.4m, 2.7m and 3.0 round.

7959 – 2.4m round parasol with tilt, available in grey, used in the Portofino range, pole diameter 34mm.

U27ALU – 2.7m round parasol with tilt, available in 3 colours, ecru, grey and forest green. Pole diameter 34mm.

U30ALU – 3.0m round parasol with tilt, available in 3 colours, ecru, taupe and forest green. Pole diameter 38mm.

MAINTENANCE

We advise against leaving parasols up in windy conditions as the frame or fabric could be damaged. Unattended parasols should not be left open. Any damage caused by neglect is not covered by warranty.

It is essential that the correct base is used to stabilise the parasol.

Parasols should not be used for sun protection.
