

# PARASOLS - CANTILEVERS

3 YEAR WARRANTY

All our cantilevers are made with a lightweight durable polyester fabric which is water resistant and easy to clean. To clean the parasol we advise that the fabric is kept attached to the frame, use a soft brush or broom and warm soapy water. For more stubborn stains the canopy can be removed and washed at 30°C.

## MAINTENANCE

We advise against leaving parasols up in windy conditions as the frame or fabric could be damaged. Unattended parasols should not be left open. Any damage caused by neglect is not covered by warranty.

It is essential that the correct base is used to stabilise the parasol.

Parasols should be used for shade and not sun protection.

## PRODUCT INFORMATION

UHP 3.0m round cantilever parasols are easy to operate with the simple handle and lock mechanism. To rotate the parasol simply unlock the handle and move into the desired position, then lock the handle to secure. Available in 4 colours, ecru, taupe, forest green and black. The pole diameter is 60mm. FC17 night cover fits this parasol. For use with our UHGB40 (40kg) granite base which has 2 handles and small wheels allowing the base to be easily moved along a flat surface.

UHY cantilever parasol is curved with 16 spokes. It is easy to raise and lower the canopy with a crank handle mechanism. The canopy can be adjusted into 5 positions to give maximum shade from the sun. It has a foot operated pedal for 360° rotation. Available in ecru only. NC35 night cover fits this parasol. For use with our UHGBY base (85kg), which has a handle and locking wheels to secure the parasol and prevent any movement.

UH35 cantilever has a unique design, tilting to 180° covering the slightest of angles for maximum shade from the sun. The main feature is the ability to spin 360° on its axis. Easy to operate with the simple crank handle which allows shading from the sun in seconds. Comes with a night cover. For use with our UHGB90 (85kgs), which has a handle and locking wheels to secure the parasol and prevent any movement.
