

FURNITURE COVERS

3 YEAR WARRANTY

All our covers are manufactured from heavy duty 100% woven polyester fabric, crack tested to -20°C. They are 300 denier, PU coated on one side and ultra violet treated.

MAINTENANCE

Covers protect against the build up of dirt and ensure less furniture maintenance is required. All covers come with ties and cords for securing to furniture.

PRODUCT INFORMATION

Our covers are breathable, they are not 100% waterproof. When using covers on tables we recommend placing an object such as a bucket between the furniture and the cover. This will allow water to run off the table top and will reduce sagging and will help allow air flow around the furniture. This will prevent the chance of rotting occurring to furniture.

TENT EFFECT

Depending on the type of Alexander Rose furniture you have, it may be necessary to place an object such as a bucket between the furniture and the cover. This will reduce the amount of sagging, and will help airflow around the furniture, this will prevent the chance of rotting occurring to furniture.
