

# NEW ENGLAND COLLECTION

3 YEAR WARRANTY

This beautiful New England chic range will brighten up any patio lacking that certain 'je ne sais quoi'. Manufactured using our Acacia timber coated in a satin polyurethane paint, the furniture has been beautifully transformed making it fresh, clean and suitable for any environment.

Our New England is FSC® 100%.

The New England benches are designed to be used outside, we recommend regular maintenance to retain its original condition, this can be done by sanding the effected area down to the natural timber, a reddish colour, then re-apply evenly a white satin polyurethane paint to the area. Polyurethane paint can be purchased from any DIY or Hardware store.

## MAINTENANCE

Alexander Rose New England range is produced in a satin white finish, this is the result of 2 coats of polyurethane paint to the Acacia timber. After time there may be hairline cracks in the finish, this is due to the timber moving.

**Comes with a 3 year warranty and 10 year durability.**
