

PINE COLLECTION

3 YEAR WARRANTY

Pine is an extremely popular softwood for making garden furniture. It is carefully sourced from responsibly managed forests in Eastern Europe. Each piece has been treated in order to make it suitable for outdoor use.

The timber has a figurative grain and the yellow/green colour will mellow over time to an attractive silver/grey. This rustic collection of furniture is ideal for a traditional English country garden. Our Pine is FSC® 100%.

MAINTENANCE

Each piece has been treated in order to make it suitable for outdoor use.

Pine must be treated with a preserver such as Cuprinol or Ronseal. Do not use Timber Treatment or Timber Protector; only use Timber Sealer.

Comes with a 3 year warranty and 10 year durability.

BLACK SPOTTING

Black spotting can occur through tannic acid which is present in the timber or by natural airborne spores. Should this happen to your furniture which is not unusual, it will not affect the strength, durability or quality of the wood, it's not a manufacturing defect and is purely cosmetic which can easily be removed by applying a mould remover such as Dettol or Cillit Bang which is available at all supermarkets and hardware stores. Remove using a thin bristle brush until the spots have vanished. Do not use soapy water to clean black spotting
