

PORTOFINO COLLECTION

5 YEAR WARRANTY

Precision is the hallmark of this collection and this is shown in the way the mesh and structure compliment each other. For this season we have designed a stunning new Swingseat & stylish coloured bistro to brighten up your garden.

The Portofino is made using powder coated mild steel, which has then been treated with a phosphate solution and primed with a cathodic dip to prevent corrosion. Polyester cushions come with a 2 year warranty,.

MAINTENANCE

The Portofino range requires minimum maintenance, although we recommend cleaning your furniture annually. Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

From time to time check that there are no loose screws on the tables, as this can cause damage to the table legs.

Grey frames come with a 5 year warranty, coloured frames come with a 3 year warranty.
